

## Declaration of Conformity

Manufacturer: Onesti Products A/S  
Maridalsveien 300  
NO-0872, Oslo, Norway

Declares that the following product:

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| Brand                      | Onesti Products                                                     |
| Product Name (market name) | HomeGate AiO<br>Type MGW311-S410                                    |
| Product description        | Gateway with Ethernet, ZigBee, W-Lan, BLE, Cellular module, Battery |
| Production Options         | Third party manufacture allowed                                     |
| Date of marking            | 25 <sup>th</sup> June 2026                                          |

In accordance with the directives:

|                                 |                                 |
|---------------------------------|---------------------------------|
| Radio Equipment Directive (RED) | 2014/53/EU                      |
| EMC Directive                   | 2014/30/EU                      |
| RoHS Directive                  | 2015/863/EU amending 2011/65/EU |
| REACH                           | 1907/2006/EU + 2016/1688        |

Is in compliance with the following harmonised standards & specifications:

|                     |                                                                                                                                                                                                                    |
